

October Bible Verse:

Keep me as the apple of your eye.
Psalm 17:8

October Bible Story:

Noah's Ark
(Genesis 6,7,8)

October Theme: Fabulous Fall!

Wow! Where did September go? We made it through our first month of school and your kids did awesome! We are so proud at how quickly they are learning school routines and rules, getting their temperatures checked daily, handwashing routines, and some are even wearing their masks! They have also made so many new friendships in their classes and we have been learning lots of fun and silly songs during our music and movement time, which I'm sure you have heard mixed up versions of those lyrics! Your kiddos brighten our day and we are very blessed and privileged to have the opportunity to teach them!

We have lots of exciting events coming up in October! Due to our COVID policies and procedures our typical Trike a Thon Fundraiser, Fall Open House and Harvest party will all look a little different. Our Trike a Thon for Saturday, October 10th has been cancelled and moved to Wednesday, October 14th and will be held during our regular school day. We will be posting videos of your child's class Trike a thon to their class FB page so you can watch virtually! We will be sending home donation packets soon so be checking your child's backpack for more information about our Trike a Thon fundraiser! We will also be doing a virtual Open House event and will be sending out a separate email with all the details as well! Don't forget to check out the October Calendar on our school's website for our monthly theme's and events! If you haven't joined your child's class FB page, we encourage you to do that soon, because we will be posting all of these videos on there for you to see!

We want to thank you for your continued patience with our drop off and pick up! We are starting to recognize your cars and grandparent's cars! Please help us make the car line process go even quicker by unbuckling your child and having their backpacks on! If you are using the car line for pick up, please remember to stay in your car and we will walk your child out to you and you may pull around to the side of the building to buckle them in safely, do not buckle them in while in the car line! This will help our car line flow smoothly! If you are walking up to the door to pick up your child, please remember to maintain the social distancing rules and wear your mask! Thank you!

Tuition is due by the 10th of October!
